

To foster a New Generation of Outstanding Rotarians

Governor of 2011-12 Rotary International District AKIO Katakura

I visited the Rotary club of Tokyo Yoneyama Yuai on a governor official visit on July 30th. The club was formed by Yoneyama Alumni February last year. Rotary Club of Tokyo Seatagaya Central sponsored the club and Rtn. Hiroko Seki served as Special Representative. The club was created as a new form of club in the district, so I was highly interested in visiting this club.

Anyway the features are that they are young. The average age is around 37 years old, and some are still in their 20's. The members of the club are basically formed by the alumni association of Yoneyama scholarship and the nationalities are several, but there are few Japanese members as well. After the inauguration, there were new members who had experienced the Rotaract Club. Entrance fee is 10,000 yen, and 120,000 yen for an annual fee, and I think that they are letting the young people to enter more easily. Meetings are held at the Hotel New Otani with style of only tea meetings. However, their activities are vigorous. As well as the reconstruction activities of the earthquake, they have developed a variety of activities enthusiastically such like helping the blind people to enjoy soccer, career counseling for foreign students, library restoration project for children, and holding concerts.

It can be said that the way of the Rotary club of Tokyo Yoneyama Yuai is ought to be one of the way of the Rotary Club. I was impressed in the way the young Rotarians practice activities so vigorously and yet enjoying it.

This month is the month of the new generation. Since last year, in addition of the four avenues of service (club service/ vocational service/community service/international service), new generation service has been added and now is the five avenues of service, we are sought to focus on the development of new generation. There are four committees in the district, Interact, Rotaract, RYLA, Youth Exchange, but the district has become the center of most activities. Even in each clubs, I would like everyone to think and act with the feeling to foster the new generation as future Rotarians. As a district, and as new initiatives, we have begun to explore the possibility to networking the Yoneyama scholars who returned to their countries after graduation. We are now in a period which is not impossible to hold a meeting once a year through internet gathering all members at once.

Not to stick to the shelf of the existing ideas, I hope everyone will work on the new generation activity.
