

In order to do good in the world

Governor of 2011-12 Rotary International District **AKIO Katakura**

Almost three-quarters of the official governor visits has finished and talking with many Rotarians, I was able to hear a lot of very meaningful feedbacks. I would like to make use of it in our future activities.

Now, the event for the World Polio Day was held in Tokyo on October 24, this year is the last year for the "Challenge 200 million U.S. dollars" promoted by Rotary Foundation. Almost \$190 million have been collected so far but yet one

step away, I would like to ask a little more cooperation to accomplish.

The inauguration of Rotary International Foundation in 1917 started from a slogan "Let to be good in the world". "Polio eradication" is a typical program that has achieved 99% eradication of polio bacteria on Earth. To eradicate the remaining 1% and to eliminate polio from the Earth, the activity will continue.

In addition, in five of the Sub-Committee meetings including the PolioPlus Committee promoting the "Challenge 200 million U.S. dollars", Grants Committee, Giving Development Committee, Rotary Peace Fellowship Committee, Scholarship • Group Study Exchange • Alumni Committee, this year's Rotary Foundation has programs to help their respective clubs.

Particularly with respect to the earthquake of Eastern Japan, Rotary Foundation has established "Rotary Japan Pacific Ocean Islands Earthquake Reconstruction Fund" and collected more than \$4 million donation from Rotarians around the world. Of that amount, utilization of approximately \$ 2.2 million was entrusted to the Japan Committee for Earthquake East Reconstruction Fund. Grant applications have been issued to a support project already from a number of clubs, and I do hope that many clubs could participate from this district.

In addition, the issue that has been continued from the previous year for the handling of "Donation of Relief Money for the Great East Japan Earthquake" has been decided. The subset of donations from everyone has been contributed to the Board of Governors, but recently it was concluded to be more effective as a reconstruction assistance program from each district or club rather than as reconstruction assistance from the governor meeting and about 70 million yen of refund have been made to the district. Adding the balance from last year will make approximately 9,500 million yen, it will be served to direct support or to reconstruction projects of each clubs, mainly to Supporting Tohoku District Committee, and I hope it will be utilized actively.
