

## Family ties are the basis of Rotary

Governor of 2011-12 Rotary International District **AKIO Katakura**

The official visit of 84 domestic clubs is done, now leaving only the PB group. Throughout this official visit, I felt the warm heart of all of you who continued being active as a Rotarian very close. Especially, a East Japan great earthquake that had caused unprecedented damage in March occurred this year. The stance of each club facing the reconstruction support has been always good, but I feel reliably and I am encouraged to know that each club are now thinking long-term

for the Community Service and the International Service. I was moved with the family-like warmth of the Rotarian afresh and I again realized that the large bond of Rotary is the just like a family.

Coincidentally, December is the Family Month. The International President for Rotary, Kalyan Banerjee, has given "Family" to the first emphasis matter. And Mr. Banerjee says "We have to find peace within ourselves and within our families. Only then can we move forward to bring peace to our communities, our nations, and the world." All the services that we do, and all we wish to accomplish in the world, he strongly claims that the starting point is the "Family".

Of course, the basis of our life is in the family. We can build a peaceful life only with family supporting each other. These mutual supports gather to create a peaceful society. In this busy civilized society, "family" been easily forgotten tends to be the basis of people's underlying bond, and referring the experience of the earthquake, everyone will deeply feel this matter.

And Mr. Banerjee also says that "I believe that if you strengthen yourself, you strengthen those who share your life and your home. Once you have a strong family, you have a strong base on which to build. Those who have that inner strength can work together better to serve."

On this occasion of the "Family month", why shall not we try again to reconsider that the family holds our lives and our activities are made by their support.

Based on family ties, I would like both clubs and the district getting involved together in the activities of the Rotary.
