

Reaffirm the significance of Rotary

Governor of 2011-12 Rotary International District **AKIO Katakura**

As mentioned last month, district convention will be held at The Prince Park Tower Tokyo on the 22nd and 23rd of this month. As you know, this day is a memorial day of which Paul Harris first held the meeting of Rotary Club in Chicago 107 years ago. Now we live in the nation suffering from significant damage through an unprecedented Tohoku earthquake a year ago. As we have been working as a member of the Rotary Club, this is the time for us likely to be questioned "the true meaning of being a member of Rotary". Thus the theme of the district conference will to be as "Joining our hearts and hopes to take action for beautiful Japan".

For this conference, the 2008-2009 RI President Mr. Lee Dong Kurn of South Korea will be serving RI President's Representative. Mr. Lee so far has held important positions as the director of RI, RI treasurer, member of the Rotary Foundation, district governor, and training leader of International Council. When he took office as the president of RI, he appealed "to form a dream" to leave to posterity a wonderful world. I think he is the most appropriate man as the deputy chairman of RI.

We have asked the world-famous architect Mr. Tadao Ando also serving as the deputy chairman of Eastern Japan Earthquake Reconstruction Initiative Conference for the lecture and the two living national treasures Mr. Richou Tobaya and Mr. Kisaku Katada to perform Kabuki Nagauta and music. We hope as many people as possible could attend and reaffirm that you are the member of the great Rotary Club and to help your coming activities.

In addition, we have received donations up to 3.41 million yen as an aid to the flood area of Thailand. Mid-November of last year, we completed the remittance to Mr. Bhichai Rattakul the former president of RI. (We received a letter of thanks from Mr. Bhichai Rattakul)

Also, coming February 20th from 6pm, the projections illumination of "Polio eradication" will be held at Roppongi Hills. RI is working on projects for over 20 years to eradicate polio, and illuminations of polio eradication have been conducted around the world during the Rotary originated week. It is the first time in Tokyo, conducted by RC of Tokyo Roppongi under the support of 9 clubs of Yamanote east group. With the participation of many people, we ask everyone to bring this significant event to life.
